

Coalition of Australian Industries

This petition is supported by the Coalition of Industries and presented by the National Road Freighters Association on behalf of the Australian Citizens

TO THE HONOURABLE SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES

I the undersigned, being a citizen of the Commonwealth of Australia, hereby state unequivocally that I have lost confidence in the 43rd Parliament of Australia to form and maintain a responsible record of governance.

And, that the 43rd Executive Government of Australia has been compromised into wilfully and intentionally misleading the Australian people by introducing a 'Carbon Tax' without the consent of the Australian people and, that would be normally decided by a free and unencumbered ballot.

I therefore demand that the Prime Minister with the concurrence of the Governor-General, immediately dissolve both Houses of the 43rd Parliament and a ballot of the Australian people called so that the people of Australia may elect a responsible 44th Parliament of the Commonwealth of Australia.

PRINCIPAL PETITIONER: Name: Kevin Michael (Mick) PATEL Telephone: 0429 413 161 Address: 3 McLeod Street, RICHMOND QLD 4822 Email: kpattel2@bigpond.com

*Vote on a motion of "no confidence" in the government so that the current government
I the undersigned, being a citizen of the Commonwealth of Australia, hereby state unequivocally that I have lost confidence
in the 43rd Parliament of Australia to form and maintain a responsible record of governance.*

*And, that the 43rd Executive Government of Australia has been compromised into wilfully and intentionally misleading the
Australian people by introducing a 'Carbon Tax' without the consent of the Australian people and, that would be normally
decided by a free and unencumbered ballot.*

*I therefore demand that the Prime Minister with the concurrence of the Governor-General, immediately dissolve both
Houses of the 43rd Parliament and a ballot of the Australian people called so that the people of Australia may elect a
responsible 44th Parliament of the Commonwealth of Australia.*
